### Together We Rise

**April 30<sup>th</sup>**  
**6:00 – 7:30 pm EST**

FEA PD will be joined by master trainer, Shafeza Moonab for hands-on training that will explore the responsible use of AI in education, with a strong focus on student privacy, data security, and equity. Participants will also learn how AI can support lesson planning, differentiate instruction for diverse learners, increase student engagement, and streamline daily tasks. You will leave with actionable strategies and ready-to-use resources that can be applied in classrooms. This training is designed specifically for educators and PD leaders who want to better understand how artificial intelligence is transforming teaching and learning.
