AI is Changing the World

February 28th

10:00 am – 3:00 pm EST

Orlando

Join us for a one-day, in-person AI Professional Learning Convening where educators will explore the benefits of AI with a focus on responsible use, student privacy, and data security, while also examining its power to differentiate instruction for diverse learners. Discover how AI can support teaching, planning, and student engagement.

Walk away with actionable strategies and ready-to-use resources that enhance student achievement. Through hands-on practice, you'll learn how to streamline tasks, boost collaboration, and create materials you can apply in the classroom.

Together We Rise

February 26th

6:00 – 7:30 pm EST

The Together We Rise virtual series returns on Thursday, **February 26, 2026, 6:00 PM** Eastern time. Also returning to share insights from her book series will be teacher, author, and union member PeTika Tave. In this lively, interactive session, discover how purposeful reading-aloud and inclusive stories can boost student confidence, build a sense of belonging, and support emotional growth. You will walk away with practical strategies and ready-to-use resources to affirm student identity and create a positive, welcoming classroom environment.
